

MADE IN ITALY | QUALITY | DESIGN | GREEN

FIMA Carlo Frattini founded by Carlo Frattini, is a third generation, family-owned company. Located in the Novara region in the north of Italy, the success of **FIMA** is based on the belief that world-leading products can only be created from sourcing the best quality materials, combined with leading production technology.

FIMA offers the widest range of solutions for any bathroom ambience. The quality of the materials, the craftsmanship, elegant and innovative design with minimalist and sophisticated lines creates a perfect balance between design, technology and functionality.

At **FIMA** every product embarks on a long journey through several prescribed stages, each one designed to guarantee quality throughout the production process. Every phase is managed with the utmost care, from raw material selection to the delivery of the final product. Casting, turning, polishing, surface treatments and assembly are controlled by expert artisans to meet the highest international standards.
